Dear Parishioners:

The Knights of Columbus outdid themselves! To celebrate our feast day of the Dominican Order's founder, St. Dominic, they put on a sumptuous spread of salmon, chicken, grilled veggies and mushrooms, and rice, not to mention those Oregon blueberry sundaes after the 7:00a, 9:00a, and 11:00a Masses. The response was remarkable. To see the hall with so many parishioners, new and old, brought tears to my eyes.

While we friars try very hard to bring the sacraments to the people through our liturgies, in itself a monumental task, running a parish church requires far more resources. The Knights are a wonderful fraternity, bringing Catholic men together to assist those in need, and are an example of just the type of resource that we depend upon. While they do many good things on their own, I appreciate how they respond to the needs of our parish community. In addition to cooking up the meal for St. Dominic's feast day, they've also helped with logistics in our city Stations of the Cross, the coordination of processions, assistance with our elderly and infirm, and formal presence at some of our larger Mass.

Some of our Knights that helped with our St. Dominic's Day brunch.

As we look forward to the fall season, please look into some of the activities to see if you'd be willing to offer your skills, whether it's presence, coordination, administration, cleanup, cooking, or teaching. The list is almost endless. Getting involved in our parish is one way we can keep the Faith alive in our households. We often have the habit of deferring to others "with more time," or those "with more skills." The truth of the matter is that everyone has something to offer.

God bless you as we enter into the mystery of the Assumption of Our Blessed Mother.

THE WOMAN

In the Gospels we hear Jesus refer to his mother Mary as “Woman.” This reference should draw our attention to both Genesis and Revelation. But who is this “Woman,” and why is she so central to salvation history? This powerful film presents the Catholic teaching about Mary and her important role in the life of the Church today. On this Solemnity of the Assumption, let us ponder Mary’s role in our own lives!
