Dear Holy Rosary Friends and Families,

Security

As you have undoubtedly noticed, our church is facing a unique set of safety and security challenges that didn't exist a few short years ago. Though these challenges are ever changing, our church has not been idle in addressing them.

For example:

- we have recently expanded the security patrols to 24 hours a day,
- we have added patrols to the former dental building.
- we now have the ability to request emergency response from our patrol officers should the need arise,
- we diligently and repeatedly report "abandoned" cars and blocked walkways to the proper authorities.

We know these solutions are only a band-aid to the larger societal issues creating the safety and security challenges, but please know that we are committed to doing all we can to provide the safe and beautiful worship experience you expect from Holy Rosary.

Flocknote & Online Giving

It is important that we know all the members and families in our community. Whether you have formally registered in the past, you are a member of multiple churches, or you just visit from time to time—we want to serve you and your family as best as possible.

So, over the next few weeks, we are working to ensure all our records are up to date. Our new family registration process will not only allow you to update all your information but will also allow you to view all our many ministries and join the groups you wish to hear from on Flocknote.

We are also moving to a new online giving tool to make it easier for you to make donations and view all your past gifts. We are asking that all individuals and families go through our new registration process and update all their information by the end of November. Please prayerfully consider setting

up a recurring donation to help our church continue to grow and reach even more families.

To complete the registration process, please stop by or call the church office, or scan the QR code.

- Fr. Peter Do, OP

IMPORTANT LETTER & SURVEY ON PARISH PROPERTY – YOUR INPUT NEEDED! Thank you for taking the time to read the letter and offer your feedback and advice through the survey.
