Unlike the previous 2000 years of our Church history, we are living in a society that was once deeply Christian, but continues to rid itself of its Christian heritage. How can we combat a suffering culture in desperate need of the Truth? How can we carry the light of Christ to a world that is lost?

The world is in need of more zealous preachers to address the intellectual and spiritual poverty all around us.

One of our early Dominicans, Blessed Humbert of Romans (1200 - 1277), in his treatise on preaching, writes: *...Men who lack preaching are like men in the dark. At the beginning of creation, we are told that the abyss was covered with darkness, but once the light was created, all that matter was illuminated. In the same way men are illuminated by preaching.* 'On those who dwell in the region of the shadow of death, light was dawned' (Matt 4.16), *which means, according to the Gloss [medieval scripture commentary], the light of preaching. So preaching is the world's lightening. This is why the first preachers are told, 'You are the light of the world.'* (Treatise on the Formation of Preachers 14).

This Sunday's Dominican Student Appeal provides critical financial support for our student brothers in formation. These young men are future Dominican priests and religious brothers, the next generation of gifted preachers who will preach the Truth.

As our vocations increase, we need your support! God has blessed our Dominicans across the Western Province. We currently have 35 men in formation, each of them eager to preach for the salvation of souls! We rely on you to support our student brothers' room, board, education, formation, and healthcare costs.

Please consider a gift to our Dominican Student Appeal, either in this Sunday's collection, or online at opwest.org/rs, that both our parish and all the western states might continue to be illumined with the world-changing truths of the Catholic faith.
